Kedron United Church—Wedding and Rental Information

Kedron United Church welcomes you and agrees to provide Wedding Ceremonies for people within it's membership and also for people beyond it's membership. Once the building addition is completed, fall 2010, Kedron will be accessible for all people. We also have onsite parking available for your guests.

If you wish to have a clergy person officiate other than the minister of Kedron, it must be approved first by the minister of Kedron.

If you decide Kedron is the place for your wedding, our minister will meet with you to discuss the service and explain what happens at the rehearsal.

As you can see below Kedron United Church offers a beautiful setting for your wedding. We seat 150 people and offer organ or piano music to accompany your wedding.
